INDEPENDENT REDISTRICTING COMMISSION

BERKELEY

Mapping Berkeley Communities: Redistricting by the People

Draft City Council District Map:

“AMBER MAP”

Published January 20, 2022

AMBER MAP

*Consistency Map with Changes to Address Universal Criteria
West Berkeley (Two Districts)*

The Amber Map responds to the direction of the Independent Redistricting Commission to create a draft map that has a high level of continuity with the existing council district boundaries and includes changes only as needed to meet the six universal map criteria. The universal criteria are: 1) Maximum of 10% population deviation; 2) Contiguous districts; 3) Maintain Communities of Interest and Neighborhoods; 4) Use major arterial streets as boundaries where possible; 5) Correct the features of the 2010 map that accounted for prior Councilmember residences; and 6) Include at least one compact student district in every map.

The Amber Map follows the Commission direction by making the following noteworthy modifications:

- Unify the Westbrae Neighborhood in District 1;
- Unify the Poets Corner Neighborhood in District 2;
- Unify the LeConte Neighborhood in District 3;
- Unify the Lorin Neighborhood in District 3;
- Unify the Halcyon Neighborhood in District 8;
- Unify the Bateman Neighborhood in District 8;
- Unify the Willard Neighborhood in District 8;
- Unify Lower Spruce/Arch Street with the Northside Neighborhood in District 6;
- Move the census block that contains the International House from District 8 to the existing student district (District 7);
- Correct map features for prior Councilmember residences in District 4 and District 7;
- Maximize the use of the major arterials, University Avenue, Telegraph Avenue, Sacramento Street, Spruce Street, Oxford Street, and Cedar Street, as council district boundaries;
- Commission direction on topography/wildfire risk/transit access is reflected in higher elevation neighborhoods contained in two council districts (6, 8).

Draft Map: Amber

Published January 20, 2022 by the Berkeley Independent Redistricting Commission. Consistency Map with Changes to Address Universal Criteria. West Berkeley (Two Districts).

Narrative

The Amber Map responds to the direction of the Independent Redistricting Commission to create a draft map that has a high level of continuity with the existing council district boundaries and includes changes only as needed to meet the six universal map criteria. The universal criteria are: 1) Maximum of 10% population deviation; 2) Contiguous districts; 3) Maintain Communities of Interest and Neighborhoods; 4) Use major arterial streets as boundaries where possible; 5) Correct the features of the 2010 map that accounted for prior Councilmember residences; and 6) Include at least one compact student district in every map.

The Amber Map follows the Commission direction by making the following noteworthy modifications:

- Unify the Westbrae Neighborhood in District 1;
- Unify the Poets Corner Neighborhood in District 2;
- Unify the LeConte Neighborhood in District 3;
- Unify the Lorin Neighborhood in District 3;
- Unify the Halcyon Neighborhood in District 8;
- Unify the Bateman Neighborhood in District 8;
- Unify the Willard Neighborhood in District 8;
- Unify Lower Spruce/Arch Street with the Northside Neighborhood in District 6;
- Move the census block that contains the International House from District 8 to the existing student district (District 7);
- Correct map features for prior Councilmember residences in District 4 and District 7;
- Maximize the use of the major arterials, University Avenue, Telegraph Avenue, Sacramento Street, Spruce Street, Oxford Street, and Cedar Street, as council district boundaries;
- Commission direction on topography/wildfire risk/transit access is reflected in higher elevation neighborhoods contained in two council districts (6, 8).

Boundaries of District 1

The boundary of District 1 begins at the intersection of Martin Luther King, Jr. Way and University Avenue. The boundary heads west along University Avenue to Marina Boulevard, then travels north along Marina Boulevard (including Cesar E. Chavez Park to the west) and turns east at Virginia Street. Encompassing the shoreline and W. Frontage Road, the boundary travels north to the Berkeley border, where it turns east. The boundary travels east until just south of St. Mary's College High School, where it turns south. At approximately the intersection of Hopkins Court and Sacramento Street,

the boundary heads south along Sacramento Street to Cedar Street. The boundary travels east along Cedar Street until Martin Luther King, Jr. Way. The boundary travels south on Martin Luther King, Jr. Way to the starting point on University Avenue.

Neighborhoods included in District 1: Berkeley Marina (partial), Gilman, Northwest Berkeley, Fourth Street, Westbrae, North Berkeley, and Central Berkeley (partial).

Boundaries of District 2

The boundary of District 2 begins at the intersection of Sacramento Street and Alcatraz Avenue. The boundary heads west along Alcatraz Avenue, turning north at Idaho Street, west along 65th Street, north along Mable Street, and west at Haskell Street. Moving slightly north, the boundary continues west on Folger Avenue along the Berkeley border until it reaches the Bay. The southwest corner of the boundary begins at West Frontage Road and travels north to University Avenue, including the Bay and Shorebird Park to the west. The boundary heads east along University Avenue until turning south at Sacramento Street. The western boundary continues south along Sacramento Street to the starting point on Alcatraz Avenue.

Neighborhoods included in District 2: Berkeley Marina (partial), West Berkeley, Poets Corner, and South Berkeley (partial).

Boundaries of District 3

The boundary of District 3 begins at the intersection of Blake Street and Telegraph Avenue. The boundary heads south along Telegraph Avenue to Ashby Avenue. The boundary travels west along Ashby Avenue until Adeline Street, where it turns southwest. At Martin Luther King, Jr. Way, the boundary heads south until Fairview Street, turns east on Fairview Street, and then turns south to travel along the border of Berkeley. At 62nd Street, the boundary heads west until intersecting California Street, where it turns north until Alcatraz Avenue. The boundary heads west along Alcatraz Avenue until Sacramento Street, turning north along Sacramento Street until Blake Street, turning west on Blake Street to the starting point on Telegraph Avenue.

Neighborhoods included in District 3: South Berkeley (partial), Lorin, and LeConte (partial).

Boundaries of District 4

The boundary of District 4 begins at the intersection of Blake Street and Ellsworth Street, heading west along Blake Street to Sacramento Street. The boundary travels north along Sacramento Street to University Avenue, then turns east along University Avenue until Martin Luther King, Jr. Way, where it turns north until Cedar Street. The travels east along Cedar Street to Oxford Street. The boundary travels south along Oxford Street, becoming Fulton Street, until Channing Way where it turns east. The boundary travels east along Channing Way until Ellsworth Street where it turns south until the starting point on Blake Street.

Neighborhoods included in District 4: Central Berkeley (partial), Downtown, Gourmet Ghetto (partial), Southside (partial), South Berkeley (partial), and LeConte (partial).

Boundaries of District 5

The boundary of District 5 begins at the intersection of Cedar Street and Spruce Street, heading west along Cedar Street until Sacramento Street. The boundary travels north along Sacramento until Hopkins Street, curving slightly east, then moving north along the Berkeley border to the intersection of Sonoma Avenue and Tulare Avenue. The boundary continues north along Tulare Avenue, turning west on Solano Avenue to Neilson Street. The boundary travels north Neilson Street until Visalia Avenue, where it continues east along the Berkeley border to Spruce Street. The boundary travels south along Spruce Street until the starting point of Cedar Street.

Neighborhoods included in District 5: Thousand Oaks, South Hampton (partial), Cragmont (partial), Northbrae, Live Oak, Gourmet Ghetto (partial), and Berkeley Hills (partial).

Boundaries of District 6

The boundary of District 6 begins at the intersection of Grizzly Peak Boulevard and Woodmont Avenue. The boundary winds southeast along the hilly, eastern border of Berkeley until approximately Summit Road, then heads south until the intersection of Centennial Drive. The boundary travels west along Centennial Drive until Rim Way, curving northwest until the intersection of Gayley Road. The boundary continues northwest until Hearst Avenue, then turns west until Oxford Street. The boundary travels north until Cedar Street, and travels east for one block to intersect with Spruce Street. The boundary travels north along Spruce Street until it intersects with the starting point at Grizzly Peak Boulevard.

Neighborhoods included in District 5: South Hampton (partial), Cragmont (partial), Berkeley Hills (partial), Terrace View, Northside, and UC Berkeley (partial).

Boundaries of District 7

The boundary of District 7 begins at the intersection of Prospect Street and Dwight Way. The boundary travels west along Dwight Way until Telegraph Avenue, where it travels south, then west on Blake Street until Ellsworth Street. The boundary heads north on Ellsworth Street until Channing Way, then turns west for two blocks until Fulton Street. The boundary travels north along Fulton Street, becoming Oxford Street, until Hearst Avenue. The boundary travels east on Hearst Avenue to Gayley Road, where it turns south until Rim Way. The boundary curves along Rim Way, becoming Panoramic Way, then turning west at intersection of Orchard Land. The boundary turns south at Prospect street and continues to the starting point at Dwight Way.

Neighborhoods included in District 7: UC Berkeley (partial), Southside (partial), Panoramic Hill (partial), LeConte (partial).

Boundaries of District 8

The boundary of District 8 begins at the intersection of Dwight Way and Telegraph Avenue. The boundary travels east along Dwight Way until Prospect Street, where it turns north until Orchard Lane. The boundary briefly turns east at Orchard Lane, then travels north along Panoramic Way, becoming Rim Way, to Centennial Drive. The boundary continues on Centennial Drive until the eastern border of Berkeley, where it travels south and west along the border. The boundary continues to the southernmost point near Bentley Elementary School. The boundary then turns sharply west along Berkeley's southern border until the intersection of College Avenue and Alcatraz Avenue where it turns north along College Avenue to Woolsey Street, and follows the southern Berkeley border westward until Fairview Street. The boundary travels west on Fairview Street to Adeline Street, then heads north until Ashby Avenue. The border travels east along Ashby Avenue to Telegraph Avenue, heading north along Telegraph Avenue until the starting point at Dwight Way.

Neighborhoods included in District 8: Willard, Halcyon, Bateman, Elmwood, Panoramic Hill (partial), and Claremont.

Draft Map: Amber (Version 2)

Published February 10, 2022 by the Berkeley Independent Redistricting Commission. Consistency Map with Changes to Address Universal Criteria. West Berkeley (Two Districts).

Draft Map: Blue

Published January 20, 2022 by the Berkeley Independent Redistricting Commission.
Two Student Districts (East-West). West Berkeley (One District).

Narrative

The Blue Map responds to the direction of the Independent Redistricting Commission to create draft maps that show variations on two student-focused districts, and the direction to show a map that has a north to south orientation for a single West Berkeley District. This map also meets the six universal map criteria to varying degrees. The universal criteria are: 1) Maximum of 10% population deviation; 2) Contiguous districts; 3) Maintain Communities of Interest and Neighborhoods; 4) Use major arterial streets as boundaries where possible; 5) Correct the features of the 2010 map that accounted for prior Councilmember residences; and 6) Include at least one compact student district in every map.

The Blue Map follows the Commission direction by making the following noteworthy modifications:

- Create two “student-focused” districts with an east-west orientation (4,7);
- Create a single West Berkeley District west of San Pablo Avenue and including the neighborhood surrounding San Pablo Park (2);
- Unify the Westbrae Neighborhood in District 1;
- Move the Poet’s Corner Neighborhood to District 1;
- Unify the Lorin Neighborhood in District 3;
- Unify the Halcyon Neighborhood in District 8;
- Unify the Bateman Neighborhood in District 8;
- Unify LeConte Neighborhood in District 8;
- Move the District 5 and District 6 border from Spruce Street to Arlington Avenue;
- Move the Panoramic Hill Neighborhood and the Clark Kerr Campus into the eastern student district (District 7);
- Move the portion of the Northside Neighborhood south of LeConte Avenue into the western student district (District 4);
- Move a portion of Central Berkeley and Downtown Neighborhoods into District 3;
- The above changes necessarily create a lower degree of neighborhood cohesion for the following neighborhoods: North Berkeley, Central Berkeley, Downtown, Southside, North Shattuck;
- Correct map features for prior Councilmember residences in District 4 and District 7;
- Use of the major arterials, San Pablo Avenue, Sacramento Street, Spruce Street, Arlington Avenue, Adeline Avenue, and Telegraph Avenue, as council district boundaries;
- Commission direction on topography/wildfire risk/transit access is reflected in higher elevation neighborhoods contained in three council districts (6, 7, 8).

Boundaries of District 1

The boundary of District 1 starts at the northern border of Berkeley on San Pablo Avenue and heads south on San Pablo Avenue to Dwight Way. The boundary continues east on Dwight Way to Sacramento Street, then north on Sacramento Street to Allston Way. The boundary continues east along Allston Way to Milvia Street, then north on Milvia Street to Hearst Avenue. The boundary then runs west on Hearst Avenue to Sacramento Street, then north on Sacramento Street to the northern Berkeley border. The boundary then runs west on the northern Berkeley border to the starting point on San Pablo Avenue.

Neighborhoods included in District 1: Westbrae, North Berkeley (partial), Poets Corner, Central Berkeley (partial), and Downtown (partial).

Boundaries of District 2

The boundary of District 2 starts at the northern border of Berkeley on San Pablo Avenue and heads south along San Pablo Avenue to Dwight Way. The boundary travels east on Dwight Way to Sacramento Street, then south on Sacramento to the southern Berkeley border. The boundary then travels along the southern Berkeley border to the western Berkeley border in the San Francisco Bay, then continuing on the western Berkeley border to the northern Berkeley border, and back east to the starting point at San Pablo Avenue.

Neighborhoods included in District 2: Berkeley Marina, Gilman, Northwest Berkeley, Fourth Street, West Berkeley, and South Berkeley (partial).

Boundaries of District 3

The boundary of District 3 starts at the corner of Allston Way and Sacramento Street. The boundary runs south along Sacramento Street to the southern border of Berkeley, then east on the border to Fairview Street. The boundary runs west on Fairview Street, then north on Adeline Street to Dwight Way, then west on Dwight Way to Milvia Street. The boundary continues north on Milvia Street to Allston Way, then west on Allston Way to the starting point at Sacramento Street.

Neighborhoods included in District 3: Central Berkeley (partial), Downtown (partial), South Berkeley (partial), and Lorin (partial).

Boundaries of District 4

The boundary of District 4 starts at the corner of Virginia Street and Martin Luther King, Jr. Way. The boundary runs south on Martin Luther King, Jr. Way to Hearst Avenue, then east on Hearst Avenue to Milvia Street. The boundary continues south on Milvia Street to Dwight Way, then east on Dwight Way to Shattuck Avenue. The boundary runs south on Shattuck Avenue one block to Blake Street, then east on Blake Street to Telegraph Avenue, then north on Telegraph Avenue to Bancroft Way. The boundary then runs north through the UC Berkeley Campus on Sather Road, then east on University Drive, turning north on Gayley Road to Hearst Avenue. The boundary runs

east on Hearst Avenue then north from the end of Hearst Avenue to the end of Le Conte Avenue. The boundary runs west on Le Conte Avenue to Hearst Avenue and continuing on Hearst Avenue to Oxford Street. The boundary runs north on Oxford Street to Virginia Street, then west on Virginia Street back to the starting point at Martin Luther King, Jr. Way.

Neighborhoods included in District 4: Gourmet Ghetto (partial), Downtown (partial), Northside (partial), UC Berkeley (Partial), Southside (partial), and LeConte (partial).

Boundaries of District 5

The boundary of District 5 starts at the corner of Virginia Street and Martin Luther King, Jr. Way. The boundary runs south on Martin Luther King, Jr. Way to Hearst Avenue, then west on Hearst Avenue to Sacramento Street. The boundary runs north on Sacramento Street to the northern border of Berkeley. The boundary then follows the western Berkeley border northerly to Arlington Avenue. The boundary runs south along Arlington Avenue to the Marin Circle, then continues south on Los Angeles Avenue to Spruce Street, then south on Spruce Street to Rose Street. The boundary runs west on Rose Street to Oxford Street then south on Oxford Street to Virginia Street, and finally west on Virginia Street to starting point at Martin Luther King, Jr. Way.

Neighborhoods included in District 5: Thousand Oaks, Northbrae, Live Oak, Gourmet Ghetto (partial), and North Berkeley (partial).

Boundaries of District 6

The boundary of District 6 starts on the corner of Oxford Street and Hearst Avenue. The boundary runs east on Hearst Avenue and continues east on Le Conte Avenue to the border of the UC Berkeley Campus. The boundary follows the campus border north, then east to the eastern border of Berkeley. The boundary then follows the eastern Berkeley border north to Arlington Avenue. The boundary runs south along Arlington Avenue to the Marin Circle, then continues south on Los Angeles Avenue to Spruce Street, and south on Spruce Street to Rose Street. The boundary runs west on Rose Street to Oxford Street, then south on Oxford Street to the starting point at Hearst Avenue.

Neighborhoods included in District 6: South Hampton, Cragmont, Berkeley Hills, Terrace View, and Northside (partial).

Boundaries of District 7

The boundary of District 7 starts on the corner of Telegraph Avenue and Parker Street. The boundary runs north on Telegraph Avenue to Bancroft Way. The boundary then runs north through the UC Berkeley Campus on Sather Road, then east on University Drive and then turning north on Gayley Road to Hearst Avenue. The boundary runs east on Hearst Avenue then following the UC Berkeley Campus border north, then east to the eastern Berkeley border. The boundary runs south on the eastern Berkeley border to Derby Street, then west on Derby Street to Warring Street. The boundary runs north

on Warring Street then west on Parker Street continuing to the starting point at Telegraph Avenue.

Neighborhoods included in District 7: UC Berkeley (partial), Southside, Panoramic Hill, Willard (partial), Elmwood (partial).

Boundaries of District 8

The boundary of District 8 starts at the corner of Shattuck Avenue and Blake Street. The boundary runs east on Blake Street to Telegraph Avenue, then south on Telegraph Avenue to Parker Street, and continuing east on Parker Street to Warring Street. The boundary runs south on Warring Street, then east on Derby to the eastern border of Berkeley. The boundary then follows the eastern Berkeley border to the southern Berkeley border, then along the southern Berkeley border to the intersection of Dover Street and Fairview Street. The boundary then runs west on Fairview Street to Adeline Street, and north on Adeline Street, continuing on Shattuck Avenue to the starting point at Blake Street.

Neighborhoods included in District 8: LeConte (partial), Lorin (partial), Halcyon, Willard, Bateman, Elmwood, and Claremont.

Draft Map: Maroon

Published January 20, 2022 by the Berkeley Independent Redistricting Commission.
Two Student Districts (North-South). West Berkeley (Two Districts).

Narrative

The Maroon Map responds to the direction of the Independent Redistricting Commission to create draft maps that show variations on two student-focused districts. This map shows West Berkeley in its current configuration of two districts. This map also meets the six universal map criteria to varying degrees. The universal criteria are: 1) Maximum of 10% population deviation; 2) Contiguous districts; 3) Maintain Communities of Interest and Neighborhoods; 4) Use major arterial streets as boundaries where possible; 5) Correct the features of the 2010 map that accounted for prior Councilmember residences; and 6) Include at least one compact student district in every map.

The Maroon Map follows the Commission direction by making the following noteworthy modifications:

- Create two “student-focused” districts with a north-south orientation (4, 7);
- Use the current configuration for two West Berkeley districts;
- Unify the Westbrae Neighborhood in District 1;
- Unify the Poet’s Corner Neighborhood in District 2;
- Unify the Lorin Neighborhood in District 3;
- Unify the Halcyon Neighborhood in District 8;
- Unify the Bateman Neighborhood in District 8;
- Unify the Willard Neighborhood in District 8;
- Move the border between District 5 and District 6 from Spruce Street to Arlington Avenue;
- Move the Panoramic Hill Neighborhood and the Clark Kerr Campus from District 8 to the south student district (District 7);
- Move the portion of the Northside Neighborhood south of LeConte Avenue into the north student district (District 4);
- The above changes necessarily create a lower degree of Neighborhood cohesion for the following neighborhoods: LeConte, Northside, North Shattuck;
- As compared to the Blue Map, this configuration of the student-focused districts results in a comparatively lower density of student residents in District 4 with the inclusion of the Central Berkeley Neighborhood;
- Correct map features for prior Councilmember residences in District 4 and District 7;
- Use of the major arterials, University Avenue, Sacramento Street, Spruce Street, Arlington Avenue, Adeline Avenue, Dwight Way, and Bancroft Way, as district boundaries;

- Commission direction on topography/wildfire risk/transit access is reflected in higher elevation neighborhoods contained in four council districts (4, 6, 7, 8).

Boundaries of District 1

The boundary of District 1 begins at the intersection of Martin Luther King, Jr. Way and University Avenue. The boundary heads west along University Avenue to Marina Boulevard, then travels north along Marina Boulevard (including Cesar E. Chavez Park to the west) and turns east along the border of McLaughlin Eastshore Park.

Encompassing the shoreline and W. Frontage Road, the boundary travels north to the Berkeley border, where it turns east. The boundary travels east until just south of St. Mary's College High School, where it turns south at approximately the intersection of Hopkins Court and Sacramento Street. The boundary then heads south along Sacramento Street to Cedar Street. The boundary travels east along Cedar Street until Martin Luther King, Jr. Way. Draft Map: Orange

Published January 20, 2022 by the Berkeley Independent Redistricting Commission. Consistency Map with Changes to Address Universal Criteria. West Berkeley (One District).

Narrative

The Orange Map responds to the direction of the Independent Redistricting Commission to create a draft map that has a high level of continuity with the existing council district boundaries and includes changes as needed to meet the universal criteria. This map maintains general consistency for Districts 3 – 8, with significant changes to Districts 1 and 2 in West Berkeley. The universal criteria are: 1) Maximum of 10% population deviation; 2) Contiguous districts; 3) Maintain Communities of Interest and Neighborhoods; 4) Use major arterial streets as boundaries where possible; 5) Correct the features of the 2010 map that accounted for prior Councilmember residences; and 6) Include at least one compact student district in every map.

The Orange Map follows the Commission direction by making the following noteworthy modifications:

- Create a single West Berkeley District west of San Pablo Avenue and including the neighborhood around San Pablo Park;
- Unify the Westbrae Neighborhood in District 1;
- Move the Poets Corner Neighborhood to District 1;
- Unify the LeConte Neighborhood in District 3;
- Unify the Lorin Neighborhood in District 3;
- Unify the Halcyon Neighborhood in District 8;
- Unify the Bateman Neighborhood in District 8;
- Unify the Willard Neighborhood in District 8;
- Unify Lower Spruce/Arch Street with the Northside Neighborhood in District 6;
- Move the census block that contains the International House from District 8 to the existing student district (District 7);
- Correct map features for prior Councilmember residences in District 4 and District 7;
- Maximize the use of the major arterials, San Pablo Avenue, Telegraph Avenue, Sacramento Street, Spruce Street, Oxford Street, and Cedar Street, as district boundaries;
- Commission direction on topography/wildfire risk/transit access is reflected in higher elevation neighborhoods contained in two council districts (6, 8).

Boundaries of District 1

The boundary of District 1 starts at the northern border of Berkeley on San Pablo Avenue and continues south on San Pablo Avenue to Dwight Way. The boundary

continues east on Dwight Way to Sacramento Street, then north on Sacramento Street to University Avenue. Draft Map: Violet

Published February 10, 2022 by the Berkeley Independent Redistricting Commission.
Two Student/Renter Focused Districts with Two West Berkeley Districts.

Narrative

The Violet Map responds to the direction of the Independent Redistricting Commission to create a draft map that uses the Amber Map as the base map and moves the portion of the Northside Neighborhood south of Le Conte Avenue into the student-focused district, modifies the boundary between District 3 and District 8 to prevent division of the community near Ashby BART, adjusts District 4 in consideration of students and renters, and further creates two student/renter-focused districts in a side-by-side orientation.

The Violet Map adheres to the universal criteria of: 1) Maximum of 10% population deviation; 2) Contiguous districts; 3) Maintain Communities of Interest and Neighborhoods; 4) Use major arterial streets as boundaries where possible; 5) Correct the features of the 2010 map that accounted for prior Councilmember residences; and 6) Include at least one compact student district in every map.

The Violet Map follows the Commission direction by making the following noteworthy modifications:

- Unify the Westbrae Neighborhood in District 1;
- Unify the Poets Corner Neighborhood in District 2;
- Unify the LeConte Neighborhood in District 3;
- Unify the Lorin Neighborhood in District 3;
- Unify the Bateman Neighborhood in District 8;
- Unify the Willard Neighborhood in District 8;
- Unify Lower Spruce/Arch Street with the Northside Neighborhood in District 6;
- Move the border between District 3 and District 8 east from Adeline Street to Shattuck Avenue to include the Ed Roberts Campus, the Ashby BART east parking lot, and St. Paul AME Church into District 3.
- Move the District 5 and District 6 border from Spruce Street to Arlington Avenue north of the Marin Circle;
- Move the portion of Northside Neighborhood south of Ridge Road into District 7;
- Move the census blocks that contain the International House, Lawrence Berkeley Lab, and Foothill Dormitory to the existing student district (District 7);
- Correct map features for prior Councilmember residences in Dist. 4 and Dist. 7;
- Move the border between District 5 and District 4 south to Hearst Avenue;
- Move the border between District 4 and District 7 east to Dana Street;
- Move the border between District 4 and District 3 south to Parker Street;

- Maximize the use of the major arterials, University Avenue, Telegraph Avenue, Sacramento Street, Spruce Street, Oxford Street, Hearst Avenue, Arlington Avenue, and Cedar Street, as council district boundaries;
- Commission direction on topography/wildfire risk/transit access is reflected in higher elevation neighborhoods contained in three council districts (6, 7, 8).

Boundaries of District 1

The boundary of District 1 begins at the intersection of Martin Luther King, Jr. Way and University Avenue. The boundary heads west along University Avenue to Marina Boulevard, then travels north along Marina Boulevard (including Cesar E. Chavez Park to the west) and turns east at Virginia Street. AMBER MAP – Version 2

*Consistency Map with Changes to Address Universal Criteria
West Berkeley (Two Districts)*

The Amber Map responds to the direction of the Independent Redistricting Commission to create a draft map that has a high level of continuity with the existing council district boundaries and includes changes only as needed to meet the six universal map criteria. The universal criteria are: 1) Maximum of 10% population deviation; 2) Contiguous districts; 3) Maintain Communities of Interest and Neighborhoods; 4) Use major arterial streets as boundaries where possible; 5) Correct the features of the 2010 map that accounted for prior Councilmember residences; and 6) Include at least one compact student district in every map.

Version two of the Amber Map also responds to the Commission direction to adjust the border between District 3 and District 8 near Ashby BART.

The Amber Map follows the Commission direction by making the following noteworthy modifications:

- Move the border between District 3 and District 8 east from Adeline Street to Shattuck Avenue to include the Ed Roberts Campus, the Ashby BART east lot, and St. Paul AME Church in District 3.
- Unify the Westbrae Neighborhood in District 1;
- Unify the Poets Corner Neighborhood in District 2;
- Unify the LeConte Neighborhood in District 3;
- Unify the Lorin Neighborhood in District 3;
- Unify the Halcyon Neighborhood in District 8;
- Unify the Bateman Neighborhood in District 8;
- Unify the Willard Neighborhood in District 8;
- Unify Lower Spruce/Arch Street with the Northside Neighborhood in District 6;
- Move the census block that contains the International House from District 8 to the existing student district (District 7);
- Correct map features for prior Councilmember residences in District 4 and District 7;
- Maximize the use of the major arterials, University Avenue, Telegraph Avenue, Sacramento Street, Spruce Street, Oxford Street, and Cedar Street, as council district boundaries;
- Commission direction on topography/wildfire risk/transit access is reflected in higher elevation neighborhoods contained in two council districts (6, 8).

INTRODUCTION

Mapping Berkeley Communities: Redistricting by the People.

Like many cities throughout the Bay Area and California, Berkeley utilizes a district-based system of electing councilmembers and has done so since 1986. The city is divided into eight geographic areas called “districts.” One councilmember is elected from each district by the voters living in that district. Other elected officers (such as Mayor and Auditor) are elected at-large, meaning they can live anywhere in Berkeley and are elected by all of Berkeley’s voters.

On November 8, 2016, Berkeley voters approved Measure W1, amending the City’s Charter to transfer responsibility for drawing electoral boundaries from the City Council to an Independent Redistricting Commission (the “Commission”). The measure was intended to establish a redistricting process that is open to the public, meets the requirements of law, and is conducted with integrity, fairness, and without personal or political considerations.

The Commission is tasked with adjusting the boundaries of City Council districts every ten years following the decennial federal census. Composed of thirteen members with broad community representation, the Commission will act as an independent body to engage the public and adopt an updated map of City Council district boundaries. The community will provide verbal and written input on the redistricting process, including submitting their own maps. The Charter also provides impasse procedures if a final map cannot be agreed upon.

The City Clerk Department will support the Commission throughout the redistricting process, including public outreach, coordinating the application process, and facilitating public meetings. The Commission will also receive technical support from an independent demographer, the City Attorney’s Office, and the Department of Information Technology. This document provides a high-level overview of the City’s Independent Redistricting Commission Plan. If you have questions about the redistricting process or this document, you may call the City Clerk Department at (510) 981-6900 or email redistricting@cityofberkeley.info.

Due to the COVID-19 pandemic, certain outreach activities may be limited. City staff will focus on methods to reach the widest possible audience given the mass gathering and physical distancing requirements. Electronic methods will be employed to maximize the public’s ability to participate in the process if in-person meetings are not feasible.

OUTREACH

Key components of the City’s outreach plan consist of the following.

Print Advertising

- ▶ Advertisement in the City’s Recreation Activity Guide
- ▶ Tri-fold brochure and posters at the City’s senior and recreation centers, administrative offices, public meetings, and public libraries; coordinated with U.C. Berkeley student union; and sent to community agencies
- ▶ Print advertisements in the Berkeley Times, Daily Cal, and Berkeley Tri-City Post newspapers

Community

- ▶ If permitted under the mass gathering and physical distancing policies, City staff will attend a variety of community events across the City
- ▶ Hold additional Town Hall community meetings upon request (in-person or via videoconference as conditions permit)
- ▶ Send information through existing communication outlets (Council newsletters; neighborhood groups, etc.) for dissemination

Media

- ▶ Public notices broadcast on Berkeley Community Media
- ▶ Press releases with targeted outreach to local print, online, radio, and multilingual media sources
- ▶ Coordinating with the Health, Housing, and Community Services Department to reach additional community partners

Internet & Social Media

- ▶ Dedicated page on City’s website and front-page advertising
- ▶ Posts on the City’s social media accounts, including Twitter and boosted advertisements on Facebook
- ▶ Paid advertisements posted on Berkeleyside

DEPARTMENT RESPONSIBILITIES

City Clerk Department

The Independent Redistricting Commission plan is an interdepartmental effort coordinated by the City Clerk Department. Preliminary responsibilities include establishing timelines, procedures, and the redistricting plan; coordinating a Request for Proposal for demographer services; and coordinating with the Department of Information Technology to procure electronic districting software for use by the Commission and public.

Throughout the redistricting process, the City Clerk Department will serve as the Secretary to the Commission and be responsible for conducting outreach, evaluating applications, selecting the initial eight commissioners, facilitating public meetings, coordinating all interdepartmental staff efforts, and supporting the Commission.

When a final district map is approved by the Commission and the City Council, the City Clerk Department will work with the Alameda County Registrar of Voters to implement the map. If an impasse is reached, the City Clerk Department will coordinate the effort through the election process and, if necessary, the identification of a special master to develop the redistricting plan.

City Attorney's Office

The City Attorney's Office serves as a legal resource to the Independent Redistricting Commission during training on conflict of interest, open meeting, and ethics laws, will attend Commission meetings to answer legal questions, and provide ongoing legal analysis as required.

Department of Information Technology

The Department of Information Technology will provide technical support for installation of the electronic districting software system and ongoing support throughout the districting process as needed. The GIS Division will provide technical support with mapping and demographics, including initial review of the census data provided by the U.S. Census Bureau.

City Manager's Office

The City Manager's Office has overall responsibility for the City Clerk Department, including coordinating information presented to the City Council. The City's Public Information Officer will be a key coordinator for outreach including press releases and website information during the application period and the Commission's community outreach process.

APPLICATION AND SELECTION PROCESS

What are the requirements to serve?

Any Berkeley resident who is 18 years of age or older at the time they submit their application, may apply for selection to the Independent Redistricting Commission.

Who can serve?

Current members of City boards and commissions that are appointed by the Mayor or Councilmembers can serve provided that they resign from their board or commission upon selection to the Independent Redistricting Commission (or as an alternate) and do not serve on any City commission during their tenure on the Independent Redistricting Commission.

Persons who made a disclosable contribution to a candidate for Mayor or Councilmember may serve on the Commission if they disclose all such contributions made within the previous four years prior to the date of application.

Who is ineligible?

- City of Berkeley employees
- Qualified candidates for Berkeley Mayor or Councilmember (within 2 years of application)
- Current and former holders of Berkeley elective office (within 2 years of application)
- Paid staff or unpaid interns to the Mayor or Councilmembers (within 2 years of application)
- Family members of the Mayor or Councilmember or their staff
- Officers, paid staff, or paid consultants for campaign committees for Berkeley Mayor or Councilmember (within 2 years)
- Contractors or subcontractors of the City of Berkeley

What else should I know before I apply?

For two years after the termination of service on the Independent Redistricting Commission, you may not be a paid staff member for the Mayor or a Councilmember or serve on a City board or commission. Additionally, no Commission member may be a candidate for Mayor or City Council in the next election in which that office is on the ballot.

What happens after I apply?

The application deadline is October 9, 2020. The City Clerk will review all applications for eligibility. In January 2021, the City Clerk will randomly select eight Commissioners and eight alternates (one from each Council district). Within 10 days of selecting the initial commissioners, the Commission will convene to select five additional at-large members and alternates. The full Independent Redistricting Commission then begins meeting regularly.

MAP REQUIREMENTS

Maps are subject to the criteria outlined in Charter Article V, Section 9.5. The final map will be drawn so that the districts are as equal in population as practicable, compliant with state and federal laws, and geographically contiguous.

The Commission will take into consideration topography, geography, cohesiveness, contiguity, and integrity and compactness of the districts, as well as existing communities of interest as defined below. The Commission will also utilize easily understood district boundaries such as major traffic arteries and geographic boundaries (to the extent they are consistent with communities of interest). The geographic integrity of a neighborhood or community of interest will be respected to the extent possible.

As used here, “communities of interest” means contiguous populations that share common social and economic interests. These populations should be included within a single district for purposes of effective and fair representation.

Examples of “common social and economic interests” are areas where people:

- Share similar living standards
- Use the same transportation facilities
- Have similar work opportunities
- Have access to the same media of communication relevant to the election process
- Live in neighborhoods
- Are students/have organized student housing
- Have shared ages
- Have shared racial demographics

Communities of interest shall not include relationships with political parties, incumbents, or political candidates. Districts shall not be drawn for the purpose of favoring or discriminating against an incumbent, political candidate, or political party; i.e., the Commission may not consider the residence of current Councilmembers and a current Councilmember may be “drawn out” of their current district.

The Commission may consider existing district boundaries as a basis for developing new district boundaries.

FINAL DISTRICT MAP

Map Affirmed by Commission

The final map must be adopted by the Commission with at least seven affirmative votes (of the thirteen voting members) and submitted to the City Council. The City Council will adopt a redistricting ordinance implementing the final map without change. The boundaries of the districts will be effective until the adoption of new district boundaries following the next decennial federal census.

Final Map – 2010 Census Redistricting Process

Impasse Proceedings

If the Commission is unable to reach seven affirmative votes (of the thirteen voting members) for the final map, the map with the most votes will be placed on the ballot for the voters to consider. If the final map is rejected by the voters, the Commission will attempt to adopt a new redistricting plan within thirty days with at least seven affirmative votes. If the Commission is unsuccessful, the City Clerk will recommend a list of at least three special masters to develop a redistricting plan. The Commission will select a special master to develop the redistricting plan, and the City Council will adopt the redistricting plan determined by the special master.
