

Join a hands-on workshop to share how you move through and experience the area around Ashby BART!

The City, BART, and development team are reimagining public space near Ashby BART as part of a future transit-oriented development (TOD) at this location.

What would help you get to and move around this space more easily and comfortably? What would make this space feel welcoming for people of all ages and abilities?

WHEN Sat. July 25th 2026, 10AM - 12PM

WHERE Ed Roberts Campus, 3071 Adeline St., Osher ABC/Atrium
