

Rent Stabilization Board

DATE: June 15, 2023

TO: Honorable Members of the Berkeley Rent Stabilization Board

FROM: Commissioner Andy Kelley

SUBJECT: Request for stipend deduction reimbursement for missed committee meeting(s)

---

I was absent from the Outreach, LIRA, and Environmental Sustainability Committee meetings on May 2, May 3, May 8, 2023, respectively, due to being out of town for a death in the family. I am requesting that the Board authorize staff to restore the 20% stipend deduction for these absences in the next pay period.

Thank you.
