

Rent Stabilization Board

## MEMORANDUM

**DATE:** September 22, 2022

**TO:** Honorable Members of the Eviction/Section 8/Foreclosure Committee

**FROM:** Ollie Ehlinger, Staff Attorney  
Jen Fabish, Community Services Specialist

**SUBJECT:** Owner Move-in Eviction Tracking Report (July 2019 – June 2022)

---

### **BACKGROUND**

#### **I. Measure Y**

In November 2000, in response to a rash of owner-move-in evictions, Berkeley voters adopted Measure Y as an amendment to the Rent Stabilization and Eviction for Good Cause Ordinance. Known as Berkeley's owner move-in (OMI) law, Measure Y was subsequently codified under Berkeley Municipal Code (B.M.C.) Section 13.76.130A.9. It allowed property owners to evict tenants so that the owner or qualifying relatives could move into rental units, but placed restrictions and conditions on such evictions.<sup>1</sup> In addition, property owners who evicted tenant households that qualified as low income were required to pay \$4,500 relocation assistance prior to the tenants relinquishing possession of their rental units.

After an owner move-in eviction, the rental rate for the next tenancy established in the vacant unit cannot exceed the lawful apparent rent ceiling that applied to the former tenancy. (Rent Board Reg. 1016). Furthermore, the evicted tenant/s have the opportunity move back into the unit if they expressed an interest in doing so at the time of the eviction. (B.M.C. 13.76.130A9.o.)

---

<sup>1</sup>Under B.M.C. 13.76.130A.9b., an owner could evict a tenant so that the owner, or his/her spouse, child, or parent could occupancy in a rental unit. The owner or relative must have intended to live in the unit for 36 continuous months. Additionally, with few exceptions, property owners could not evict seniors or disabled tenants who have occupied their rental units for five years or more in buildings with four or more units.

## II. Measure AA

In November 2016, Berkeley voters passed Measure AA, which amended Measure Y. While many of above-referenced provisions of the owner move-in law remain the same, Measure AA implemented the following substantial changes:

- Property owners who evict tenants for owner move-in purposes must pay a standard relocation fee to all tenant households where at least one occupant has resided in the unit for more than one year.<sup>2</sup>
- Qualifying low-income, disabled, elderly, families with minor children, or those tenancies that began prior to 1999 are eligible to receive an additional relocation assistance payment.<sup>3</sup>
- Families with minor children are protected from being evicted during the school year.
- A City or Rent Board hearing examiner can adjudicate disputes regarding a tenant's entitlement to the additional relocation assistance.

Finally, as under Measure Y, Measure AA requires that “. . . at least twice annually, Rent Board Staff shall report to the Rent Board regarding the occupancy status of units possession of which has been recovered . . . within the prior thirty-six months.” (B.M.C. 13.76.130A9.r.)

---

<sup>2</sup> The current standard relocation assistance amount is \$16,864, and may be increased each year by the percentage increase in the Consumer Price Index – All Urban Consumers in the San Francisco-Oakland-San Jose Region for the 12-month period ending June 30 of the prior year, as published by the United States Department of Labor.

<sup>3</sup> The current additional relocation assistance amount is \$5,621, which may also be adjusted each year as described above.

## **OMI REPORT: July 1, 2019 – June 30, 2022**

### **COVID-19 SHELTER-IN-PLACE & EVICTION MORATORIUM**

Due to the COVID-19 pandemic, the City of Berkeley declared a local State of Emergency on March 3, 2020, which is still in effect. On March 16, 2020, the City of Berkeley Public Health Officer issued a Shelter-in-Place Order, and has subsequently issued a number of Health Orders aimed at reducing the spread of COVID-19. On March 17, 2020, the City of Berkeley passed the COVID-19 Emergency Response Ordinance that placed a moratorium on most evictions, including OMI evictions. (B.M.C 13.110.) It remains in effect as of the date of this report.

### **STAFF MONITORING**

To ensure that tenant protections are not violated, Rent Board staff endeavor to contact occupants living in units that have received OMI eviction notices at least once every six months. Staff send a letter to each unit notifying the occupant of the rent ceiling that would apply if they are a tenant rather than the owner or qualified family member (Attachment 1). Staff also research information in our databases and county ownership records to ensure that residency information is correct. Additionally, staff typically conduct focused site visits to try to ascertain residency when there is a question as to whether the owner or family member actually lives in the unit after an OMI notice is sent.

When staff receives information that a new tenant may be living in a rental unit following an OMI eviction, staff may contact the owner and/or tenant to ascertain the facts and circumstances pertaining to this occupancy. Staff will often provide counseling to both the owner and tenant when appropriate regarding the proper rent ceilings for that unit. Additionally, when appropriate, staff will attempt to contact tenant households displaced from a rental unit due to an OMI notice to explain the options, rights and remedies that may be available if it appears that the Ordinance has been violated.

### **OMI NOTICES AND RELOCATION ASSISTANCE PAYMENTS**

#### **Notices Filed with the Rent Stabilization Board**

Between July 1, 2019 and June 30, 2022, four OMI eviction notices were filed. The following table shows how these notices were distributed amongst unit types, and the number of instances where the information currently available to staff indicates a unit is tenant occupied.

<b>Unit designation</b>	<b>Number of notices sent</b>	<b>Unit currently tenant-occupied</b>
Single family home	0	0
Duplex	2	0
Triplex	0	0
Fourplex <sup>4</sup>	2	2
Five units & more	0	0

---

<sup>4</sup>In this reporting period, two separate notices were served on the same unit at a fourplex property, which were rescinded.

Of the four notices, two were for owner-move-in and two involved qualifying relative move-in evictions.

### **Relocation Assistance<sup>5</sup>**

One of the four properties that received OMI notices in the reporting period received the standard relocation assistance payment. Three OMI notices were rescinded.

The one household that received the standard relocation payment also received the additional relocation payment on the following ground:

<b>Claims for Additional Relocation Payment</b>	
<b>Grounds</b>	<b>Number of Claims</b>
Minor Child	0
Disabled	1
Low Income	0
60 or more years old	0
Long-term Tenant	0

### **NARRATIVE DATA FROM STAFF RESEARCH**

Single Family Homes – There were no OMI notices served on single-family homes during the current reporting period.

Duplexes – Two notices were served on duplexes during the current reporting period. Staff has verified that the owner or family member named in the notice has moved in for both of these cases.

One of the two duplex units that received an OMI notice is a potential “golden duplex,” i.e., fully exempt if an owner of record of at least 50% occupies one of the two units. In this case, the notice designated a family move-in and staff has verified that the owner’s son has moved in.

Triplexes – There were no OMI notices served on triplex properties during this reporting period.

Fourplexes – Two notices were served on the same unit during the current reporting period. Both were rescinded due to the local eviction moratorium, and the unit appears to remain tenant-occupied.

Five or more units – There were no OMI notices served on properties with five or more units during the current reporting period.

### **OWNERSHIP HISTORY PRIOR TO OMI FILING**

Previously, the committee requested data showing how long a landlord owned the property prior to filing an OMI notice.<sup>6</sup>

---

<sup>5</sup> Prior reports included information on properties subject to Measure Y’s relocation assistance requirement. There are no longer any such properties in the reporting period, so all relocation assistance data pertain to properties subject to Measure AA’s relocation assistance requirements.

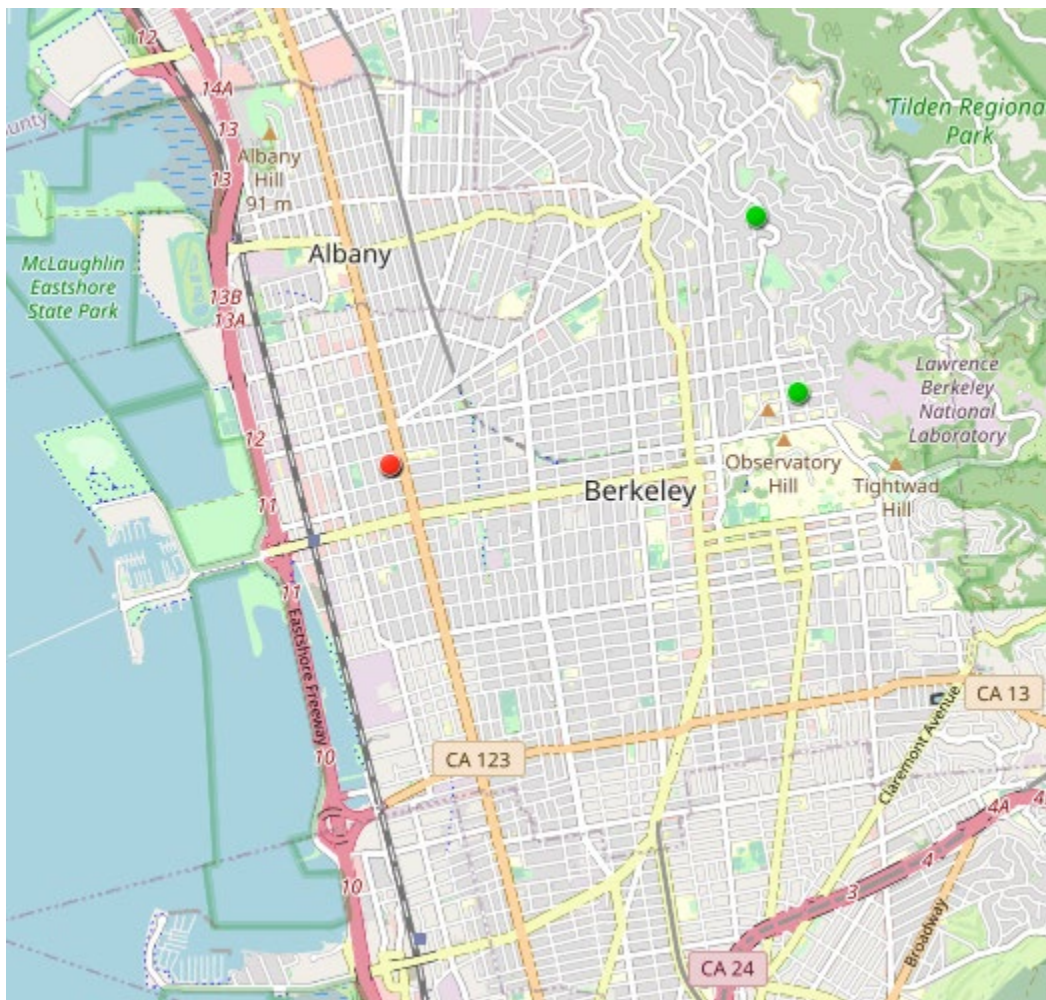

<sup>6</sup> This data includes title transfers. For the purpose of calculating data, we used the time between the transfer date and the notice of eviction.

Ownership Prior to Notice	Number of Properties
less than 1 year	2
Between 1 and 2 years	1
2 to 5 years	0
5 to 10 years	0
More than 10 years	1

**LOCATION OF OMI PROPERTIES**

**General Distribution**

The map below shows the general distribution of OMI notices for the current reporting period. Note: Two notices were served on the same address, so there are 3 data points rather than 4.

### Geographic Location and Market Area

The table below ordinarily shows the geographic location and market area of properties that received an OMI Notice in the last six months of the current reporting period. Berkeley has been under a local eviction moratorium since March of 2020, and there were no new notices filed in the last six months of the current reporting period. Attachment 2 shows the geographic location and market area for all properties subject to OMI notices during the current reporting period.

### Number of OMI Notices by Council District

At its April 13, 2017 meeting, the Committee requested information about the number of notices served in each City Council District. The table below summarizes this information for the current reporting period:

Council District	Number of Total Notices	Number of Notices, Last Six Months of Reporting Period
1	2	0
2	0	0
3	0	0
4	0	0
5	0	0
6	2	0
7	0	0
8	0	0

## CONCLUSION

During this reporting period (July 2019 – June 2022), the Board received a total of four OMI eviction notices. During the initial three-year monitoring period (December 2000 – December 2003), the Board received 110 eviction notices. Historically, after the passage of Measure Y, the number of evictions reported for each three-year period was significantly less than the initial period. This trend can be seen in Attachment 3, which shows, in six-month increments, the number of OMI eviction notices the Board has received since September 2000. The first reporting period in the table reflects only four months (September–December 2000), but during this time, 47 of the 56 evictions occurred during the three months prior to the adoption of Measure Y. While the Board did not track the number of OMI notices received prior to September 2000, it has been reported that the number of notices issued during the period from December 1997 to December 2000 was similar to or greater than the four-month period from September to December 2000, before Measure Y became law.

Although the implementation of Measure Y reduced the displacement of long-term tenants and required some relocation assistance for the most vulnerable displaced tenants, as housing prices and rents increased dramatically in recent years, so did the number of OMI evictions. The number of OMI evictions started to pick up in early-2014 (e.g., there were 19 OMI notices filed from January – June 2014). Between 2014 and 2016, there were 78 notices filed.

In November 2016, Berkeley voters passed Measure AA, which requires a standard relocation payment to all households and an additional payment if a member of the evicted household is

elderly, disabled, a long-term tenant, low income, or if there is a minor child in the household.

The City's COVID-19 Emergency Response Ordinance, passed in March 2020, placed a moratorium on evictions, including OMI evictions, and remains in place as of the date of this report. The two OMI notices in the current reporting period filed with the Board before the moratorium went into effect were filed in November and December 2019. Two notices were filed in 2021 despite the moratorium and were subsequently rescinded. No new notices were filed during the last six months of the current reporting period.

Current Occupant/

Berkeley, CA, 94708

**RE: Owner Move-in eviction at**

Dear Occupant:

Our records indicate that a prior tenant in your unit was evicted so that the unit could be occupied by the owner or a close relative of the owner. Berkeley Municipal Code section 13.76.130.A(9)(p) requires the Rent Board to monitor your unit for three years to ensure that the unit is, in fact, occupied by the owner or a relative of the owner. Therefore, you will receive a letter like this once every six months during this three-year period. If you are the owner or a *non-rent* paying parent, spouse, domestic partner, or child of the owner, it is not necessary for you to respond to this letter.

If you are not the owner and are paying rent, your rent should not exceed:

**\$3087.79**

If you are paying rent in excess of this amount, you should contact me at (510) 981-4924. Also, Rent Board Counselors are available to explain your rights and options, including the procedure for recovering any rent overcharges you have paid. An explanation of your rights may also be found on the Rent Board's web site: [rentboard.berkeleyca.gov](http://rentboard.berkeleyca.gov).

Sincerely,

\* Due to the COVID-19 pandemic, on March 17, 2020, the City of Berkeley passed an Urgency Ordinance placing a moratorium on evictions in most cases, including OMI evictions. As of the end of the current reporting period (June 30, 2022), the moratorium remained in place.

\*\*Two notices were served on the same property during this period despite the eviction moratorium. They were rescinded.
