QUALIFICATIONS FOR OFFICE

Procedure for Holding Elections

Except as otherwise provided in the Charter, all elections shall be held in accordance with the provisions of the Elections Code of the State of California. (Charter Article III, §5)

ELIGIBILITY OF MAYOR, AUDITOR, COUNCILMEMBER, AND SCHOOL DIRECTOR

“To be eligible for the office of Mayor, Auditor, Councilmember, or School Director, a person must, at the time of filing nomination papers for the office, be a citizen of the United States and a qualified elector of the State of California and of the City of Berkeley.” (Charter Article V, §10)

“Each candidate for council must have resided in the District in which he or she is elected for a period of not less than thirty days immediately preceding the date he or she files a declaration of candidacy.” (Charter Article V, §9)

Any person who has served as a voting member of the Independent Redistricting Commission shall be ineligible to file nomination papers for the office of Councilmember in their district of residence or the office of Mayor in the next occurring general municipal election in which said office appears on the ballot after their service on the Commission terminates. (Charter Article V, §10).

School District Governing Board Members

Any person, regardless of sex, who is 18 years of age or older, a citizen of the state, a resident of the school district, a registered voter, and who is not disqualified by the Constitution or laws of the state from holding a civil office, is eligible to be elected or appointed as a member of a governing board of a school district without further qualifications. An employee of a school district may not be sworn into office as an elected or appointed member of that school district’s governing board unless and until he or she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office. (Education Code § 35107)

Eligibility of Rent Stabilization Board Commissioners

Residents who are duly qualified electors of Berkeley are eligible to serve as Commissioners of the Board. Candidates for the position of Commissioner shall fulfill the requirements as set forth in the Charter in Article III, § 6.1. (Charter Article XVII §121)

In addition, when filing nomination papers, candidates shall submit a verified statement of their interests and dealings in real property, including but not limited to its ownership, sale or management and investment in, and association with, partnerships, corporations, joint ventures and syndicates engaged in its ownership, sale or management during the previous three years.

HOLDING TWO OFFICES – ALL OFFICES

Government Code Section 1099 prohibits the holding of incompatible, multiple offices.

1099. (a) A public officer, including, but not limited to, an appointed or elected member of a governmental board, commission, committee, or other body, shall not simultaneously hold two public offices that are incompatible. Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

(1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.

(2) Based on the powers and jurisdiction of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.

(3) Public policy considerations make it improper for one person to hold both offices.

(b) When two public offices are incompatible, a public officer shall be deemed to have forfeited the first office upon acceding to the second. This provision is enforceable pursuant to Section 803 of the Code of Civil Procedure.

(c) This section does not apply to a position of employment, including a civil service position.

(d) This section shall not apply to a governmental body that has only advisory powers.

(e) For purposes of paragraph (1) of subdivision (a), a member of a multimember body holds an office that may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over another office when the body has any of these powers over the other office or over a multimember body that includes that other office.

(f) This section codifies the common law rule prohibiting an individual from holding incompatible public offices.

Employment Restrictions for Elected Officials

Government Code Section 53227(a) prohibits an elected official from being an employee of the local agency they represent.

53227. (a) An employee of a local agency may not be sworn into office as an elected or appointed member of the legislative body of that local agency unless he or she resigns as an employee. If the employee does not resign, the employment shall automatically terminate upon his or her being sworn into office.

Section 35 of the Berkeley City Charter has additional restrictions:

Charter § 35. Councilmembers to hold no other office.

No member of the Council shall hold any other position, office or employment, the compensation of which is paid by the City, except as otherwise provided in this Charter.

No member of the Council, during the term for which they have been elected or appointed, or within one year after the term's expiration, shall be appointed to the office of the City Manager or as a department head.

No member of the Council, during the term for which they have been elected or appointed, or within one year after the term's expiration, shall be appointed to any other position, office or employment the compensation of which is paid by the City, if such other position, office or employment was created or the compensation increased by the Council while they were a member.

This section shall not prevent the appointment of any member of the Council to any non-compensated position, office or employment or from being appointed to fill a vacancy in the office of Mayor.

RANKED-CHOICE VOTING

What is it?

Ranked-Choice Voting or "instant run-off voting," allows voters to rank up to five candidates, in order of preference, when marking their ballots. Ranked-Choice Voting (RCV) eliminates the need for run-off elections, and is currently approved for use in Berkeley, Oakland, San Leandro, and San Francisco.

Which Offices use RCV?

Berkeley voters use RCV to elect the Mayor, members of the City Council, and the City Auditor. In November 2022, the offices of City Auditor and Council Districts 1, 4, 7, and 8 will use RCV.

How it Works

With RCV, if a candidate receives a majority (50%+1) of the first-choice votes cast for that office, that candidate will be elected. However, if no candidate receives a majority of the first-choice votes cast, an elimination process begins. The candidate who received the fewest first-choice votes is eliminated. Next, each ballot cast for the eliminated candidate will have the vote transferred to the next-ranked choice among the remaining candidates. This elimination process will continue until one candidate receives a majority and is deemed the winner.

The ranked-choice ballot card allows a voter to select a first-choice candidate in the first column, a second-choice candidate in the second column, and a third-choice candidate in the third column, etc. Voters will fill in the bubble next to the name of the candidate they choose in each column.

A voter's second choice is only counted if their first choice candidate is eliminated, and their third choice is only counted if their first and second choices are eliminated, and so on through their rankings.

Basic Questions

Must I rank candidates in every column?

No. A voter may, but is not required to, rank a candidate for each column. A voter may rank any number of candidates they choose and may leave any remaining columns blank.

If I really want my first-choice candidate to win, should I rank the candidate as my 1st, 2nd, 3rd, 4th, and 5th choice?

No. Ranking a candidate more than once does not benefit the candidate. If a voter ranks one candidate as the voter's first, second and third choice, it is the same as if the voter leaves the second or third choice blank. In other words, if the candidate is eliminated that candidate is no longer eligible to receive second or third choice votes.

Can I give more than one candidate the same ranking?

No. If a voter gives more than one candidate the same ranking, the vote cannot be counted. Only one candidate can represent the voter's choice in each column.

Can I write-in a candidate's name on my ballot?

Yes. Your ballot provides space for qualified Write-In candidates. Only qualified Write-In candidates can receive votes. After writing the name of the qualified candidate, be sure to fill in the bubble for the write-in candidate.

SIGNATURES IN LIEU OF FILING FEE (June 3, 2022 – July 28, 2022)

As required under the Berkeley Charter, Article III, § 6.1, each candidate for elective office in Berkeley (city council, mayor, auditor, rent stabilization board commissioner, and school board director) shall pay a filing fee of \$150 to the City Clerk.

In order to offset the fee, a candidate may submit to the City Clerk a petition containing signatures of Berkeley registered voters. The filing fee will be reduced \$1 for each verified signature of a Berkeley registered voter.

In lieu petition forms are available starting Friday, June 3, 2022.

Signature in lieu of filing fee petitions must be filed by 5:00 p.m. on Thursday, July 28, 2022.

The submission of petitions in lieu of candidate filing fee is voluntary and is an option to reduce or eliminate the required \$150 candidate filing fee.

Berkeley Municipal Code Section 2.16.020 sets forth the procedure for obtaining, circulating, and filing signatures in lieu of filing fee petitions:

2.16.020 SIGNATURES IN LIEU OF FILING FEE.

A candidate for the office of Mayor, Councilmember, Auditor, Rent Stabilization Board Commissioner, or School Board Director may submit a petition containing signatures of registered voters in lieu of the filing fee as set forth in this section.

A. For all City offices the filing fee is one hundred fifty dollars (\$150.00). Each valid signature of a registered voter contained on a signature in lieu of filing fee petition shall offset one dollar (\$1.00) of the filing fee.

B. Any such submission of signatures in lieu of filing fees shall be in addition to the signatures otherwise required by the State of California Election Code to nominate a candidate, but may be of voters registered anywhere in the City.

C. A voter may sign both a candidate's nomination papers and their in lieu of filing fee petition.

D. The City Clerk shall furnish to each candidate, upon request, and without charge, signature in lieu of filing fee petition forms for securing signatures. The number of forms which the City Clerk shall furnish a candidate shall be a quantity that provides the candidate with spaces for enough signatures to allow the full offset of the filing fee, subject to subsection H of this section.

1. The City Clerk, rather than provide the candidate with the number of forms set forth in the preceding sentence, or upon the request of a candidate, may provide the candidate with a master form that may be duplicated by the candidate at the candidate's expense for the purpose of circulating additional petitions.

2. A candidate may authorize another person to obtain the signature in lieu of filing fee petition on their behalf. Such authorization must be in writing, must name the designated person by name (first and last), and must be signed by the candidate with an original signature only; no electronic or copied signatures are permitted.

3. Each in lieu petition form shall include spaces for the voter's signature, printed name and residence address. The residence shall include street and number in the City of Berkeley, or other adequate designation of residence so that the location may be readily ascertained. Across the top of each printed page there shall be printed in at least twelve (12) point boldface type the following: "Petition in Lieu of Candidate Filing Fee." The City Clerk shall complete information on the petition form that identifies the candidate, the office sought, and the date of the election, prior to releasing the form to the candidate or their representative for signature gathering. Each petition section shall bear an affidavit signed by the circulator, in substantially the same form as set forth in the Elections Code. The City Clerk or designee shall sign and date the original petition form issued to the candidate.

E. All forms shall be made available commencing forty-five (45) days before the first day for circulating nomination papers.

1. In the event that the City Council orders a special election to be held to fill a vacancy or as the result of a successful recall petition, and the order is issued less than forty-five (45) days prior to start of the nomination period for said election, the signature in lieu forms shall be made available within five working days after the date the City Council orders the election.

F. No other form except the form furnished by the City Clerk, bearing the signature and date imprinted by the Clerk, or forms duplicated from a master form issued by the City Clerk, shall be used to secure signatures.

G. The substitution of signatures for fees shall be subject to the following provisions:

1. If a voter signs more candidates' petitions than there are offices to be filled, the voter's signatures shall be valid only on those petitions which, taken in the order they were filed, do not exceed the number of offices to be filled.

2. In lieu filing fee petitions shall be filed at least fifteen (15) days prior to the close of the nomination period. All petition sections must be filed at one time. In lieu filing fee petitions shall not be accepted after the nomination papers for that candidate have been filed. Within ten (10) days after receipt of a petition, the elections official shall notify the candidate of any deficiency. The candidate shall then, prior to the close of the nomination period, either submit a supplemental petition, or pay a pro rata portion of the filing fee to cover the deficiency. Signatures on the supplemental petition may only be used to offset deficient signatures in the original petition and may not be used to further offset the filing fee. Only one supplemental petition shall be issued by the City Clerk. Any deficiency found in the supplemental petition must be paid by cash or check prior to the close of the nomination period.

~~**3. Circulators of in lieu filing fee petitions shall be residents of the City of Berkeley and be qualified to register to vote in the City of Berkeley.~~

SPECIAL NOTICE TO POTENTIAL CANDIDATES REGARDING CONFLICT OF INTEREST RESOLUTION NO. 53,989 – N.S.

“The purpose of this notice is to alert you to State and local conflict of interest provisions. These provisions may prohibit you, members of your family, or your employer, from having any financial relationship -- such as a contract or consultant position -- with the City, the Berkeley Housing Authority, and the Berkeley Redevelopment Agency, during the term of your office; for members of the City Council such prohibition can extend in certain instances for a one-year period following the conclusion of the term of office.

If a prohibited interest exists, the financial relationship may have to be terminated; for example, a contract may not be renewed or created, a consultant position may have to be withdrawn, your employer or a family member may be required to cease conducting business with the City.

Statements of Economic Interest are required to be filed by elected officials and appointed members of boards and commissions. The information disclosed in such statements provides the public with information concerning the financial interests of those serving in a public or official capacity, as well as assisting in the determination of whether certain of the interests disclosed require appropriate further action. The specific prohibitions applicable to potential conflicts of interest are not deemed “satisfied” or “cured” simply by filing the economic interest statements and disclosing the relevant financial interests; such a filing is a state-mandated requirement and is separate and distinct from any prohibitions that may be imposed as a result of an existing or future financial relationship with the City.

If you are uncertain as to whether existing or future financial interests you, your family, or your employer may have with the City constitute a potential conflict which would require termination or other remedial action upon your assuming elective office or upon your appointment to a City board or commission, you are encouraged to seek further information from the City Attorney’s Office by providing a written description of your financial interest or relationship with the City and the elective or appointive position which you are seeking. It is your obligation to seek such advice and to bring any such potential conflicts to the City’s attention. The City will not independently investigate the background or financial statements of candidates for elective or appointive office in order to detect potential conflicts of interest.”

Candidates for council seats must submit a certified statement that the candidate has been a qualified elector and resided within the district for a period of thirty (30) days preceding the date the nomination papers are filed. (Charter Article V, § 9)

Elections Code Section 13308 states that a candidate's statement shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. The code further states that the City Clerk shall not cause to be printed, posted on the internet, or circulated any statement that includes any reference prohibited by law.

CAMPAIGN DISCLOSURE INFORMATION

The Political Reform Act (PRA) is a state law that requires candidates for elective office and all committees supporting or opposing ballot measures or candidates to file campaign statements disclosing contributions received and expenditures made. The statutory requirements of the PRA are contained in Sections 81000 – 91015 of the California Government Code and enforced by the state's Fair Political Practices Commission (FPPC).

In addition to the requirements of the PRA, all campaign committees formed to support or oppose City of Berkeley ballot measures and candidates must also comply with the Berkeley Election Reform Act (BERA), Berkeley Municipal Code Chapter 2.12. BERA has different reporting requirements than state law and limitations on contributions that are specific to Berkeley candidates. The City of Berkeley provides a Campaign Filing Manual to assist with the process of conducting a campaign and disclosure campaign finances in compliance with BERA.

For general questions regarding the Political Reform Act, you may contact the Technical Assistance Division of the FPPC at advice@fppc.ca.gov, (916) 322-5660, 1-866-ASK-FPPC, or www.fppc.ca.gov.

For questions specific to BERA, contact the Secretary to the Fair Campaign Practices Commission (FCPC) at FCPC@berkeleyca.gov or (510) 981-6998; or the City Clerk at elections@berkeleyca.gov or (510) 981-6908.

NEW BERA REGULATIONS

Public Financing Program (BMC § 2.12.490 et al.)

In 2020, the Berkeley Fair Elections Act of 2016 was amended to include the offices of City Auditor, School Board, and Rent Stabilization Board. Participating candidates are eligible to receive a 6-to-1 match on qualifying contributions of up to \$60 (e.g., for a \$60 qualifying contribution, a participating candidate receives \$360 in public matching funds).

Participants in the public financing program are subject to additional restrictions and records-keeping requirements. It is imperative that candidates who are participating or considering participating in the program review the Public Financing Program Supplemental Guide prepared by the City Clerk Department before beginning any campaign-related activity. Contact the City Clerk Department for more information.

Anonymous Contributions (BMC § 2.12.320)

Anonymous contributions of more than \$50 shall not be kept by the intended recipient but instead shall be promptly paid to the City of Berkeley for deposit in the Fair Elections Fund.

EARLY DEADLINES IN STATE LAW

Late Contributions (BERA § 2.12.145, GC § 82036)

Pursuant to state law, the reporting period for Late Contributions of \$1,000 or more aggregated from a single source begins 90 days prior to Election Day and includes Election Day. These Late Contributions are reported on Form 497 within 24 hours between August 10, 2022 – November 8, 2022. BERA further requires Late Contributions of \$100 - \$999 from a single source, to be reported within 48 hours during the last 16 days prior to Election Day and on Election Day. See the FCPC Manual for more information.

Late Independent Expenditures (BERA § 2.12.297, GC § 82036.5)

Pursuant to state law, the reporting period for Late Independent Expenditures of \$1,000 or more aggregated from a single source begins 90 days prior to Election Day and includes Election Day. Committees making Independent Expenditures of \$1,000 or more to support or oppose candidates or other ballot measures file Form 496 with the City Clerk within 24 hours between August 10, 2022 – November 8, 2022. Form 462 must also be filed within 10 days. The local BERA requirement that the person making the independent expenditure must also file three copies of the communication funded by the expenditure remains unchanged. See the FCPC Campaign Filing Manual for more information.

ADDITIONAL INFORMATION**Tax ID Numbers**

Some banks may require a committee to obtain a Tax ID Number before opening an account. Please contact the Internal Revenue Service (IRS) for further details. You may apply for an ID Number using IRS Form SS-4; or, you may apply online at www.irs.gov. Please note that the Committee ID Number issued to you by the Secretary of State is separate from the Tax ID Number you may obtain from the IRS. The two numbers are not interchangeable.

Candidate & Treasurer Workshops

The City will conduct a workshop for treasurers regarding the requirements in the Government Code for campaign committees and how BERA differs from state law. Detailed information regarding this important workshop will be provided to candidates and treasurers in advance.

The City Clerk Department also coordinates a general Candidate Education Forum for non-incumbents to learn about the City's budget, programs, and policies. Additional information regarding the next steps in the election process will also be presented.

The state FPPC offers workshops in their Sacramento office and online, as well as through webinars, and videos. For more information, visit <http://www.fppc.ca.gov/learn/training-and-outreach.html>. FPPC workshops cover state law only, so it is important for treasurers to attend the workshop in Berkeley.

BERKELEY ELECTION REFORM ACT (BERA)

REQUIRED FORMS, FILINGS, AND DIFFERENCES BETWEEN STATE AND LOCAL LAW REPORTING REQUIREMENTS

Berkeley's campaign disclosure requirements under BERA differ from State law requirements. As a campaign filer, you are responsible for knowing the differences between BERA and State law requirements and filing the proper reports. While Berkeley uses the state's campaign disclosure forms, local campaign filers must comply with BERA's disclosure requirements. Campaign filers should always consult the definitions and requirements provided in BERA, the Fair Campaign Practices Commission (FCPC) Campaign Filing Manual, and the FCPC Regulations when completing the state forms to ensure full compliance with local law.

The following are highlights of local reporting requirements. This overview should not be relied upon in place of the above-mentioned resources. Please refer to Appendix A of the FCPC Campaign Filing Manual for a detailed discussion of the differences between BERA and state law disclosure requirements.

Electronic Filing Requirements

Section 2.12.032 of the BMC requires Berkeley campaign committees that raise or spend \$1,000 or more to file their campaign statements electronically. However, all Public Financing candidates are required to file electronically even if they are under \$1,000. Additionally, it also designates the electronic statement as the filing of record, eliminating the need to file hard copies with original signatures for most types of filings. **Per Fair Political Practices Commission requirements, the Form 410 establishing, amending, or terminating a committee must still be filed in paper form with the State and a copy to the City.**

Form 410 and City of Berkeley Statement of Organization

Although State law defines a recipient committee as any individual, group of individuals, organization or other entity that receives or spends \$2,000 or more during a calendar year for purposes of filing a Form 410 Statement of Organization, Berkeley law defines a recipient committee as an individual, group of individuals, organization or other entity that directly or indirectly receives or spends **\$250 or more** in a calendar year. (BMC § 2.12.095)

In Berkeley, every committee must file a Form 410 and City of Berkeley Statement of Organization with the City Clerk Department **within 10 days** of the date of formation to comply with BERA. (BMC § 2.12.255.) The Form 410 does not need to be filed with the Secretary of State unless and until a committee spends or receives \$2,000. When the committee reaches the state threshold for qualification, an amended Form 410 must be filed. Whenever there is a change in any of the information contained in the Form 410 and/or statement of organization, an amendment shall be filed within 10 days to reflect the change. (BMC § 2.12.265) In the last 16 days before the election, certain changes to Form 410 require the amended form to be filed within 24 hours.

State FPPC Regulation 18402 requires that the name of all candidate-controlled committees must contain the last name of the candidate, the office sought, and the year of the election. Similarly, committees primarily formed to support or oppose a candidate must include the last name(s) of the candidate(s) and whether or not they support or oppose the candidate(s).

Form 460: Recipient Committee Campaign Statement

Under state law, candidates, officeholders, ballot measure committees, primarily-formed and general purpose committees that spend or receive \$2,000 or more in a calendar year must file a Form 460. In Berkeley, candidates, officeholders, ballot measure committees, and independent committees that spend or receive **\$250 or more** in a calendar year must file a Form 460.

Under state law, contributions of money and non-monetary contributions; loans received, repaid, loans made and loan guarantors; expenditures supporting or opposing other candidates, measures and committees; payments made and expenses accrued; payments made by an agent or independent contractor; accrued expenses, loans made, and miscellaneous increases of cash in the amount of \$100 or more must be both itemized and reported in the aggregate on the appropriate Schedules and summarized on the Summary Page.

However, in Berkeley, this information must be itemized at a **\$50 or more** threshold and must be reported on the proper schedule and summarized on the Summary Page. **Filers must also include the principal place of business (i.e., city) for all self-employed donors who contribute \$50 or more.**

The Form 460 must be filed semi-annually (January 31 and July 31) by all active campaign committees. If a committee makes expenditures directly tied to a candidate or measure in an election, the committee must also file at least two pre-election reports in addition to the semi-annual filings. A Form 460 must be filed when a committee is terminated.

Form 461: Major Donor and Independent Expenditure Committee Campaign Statement

Form 461 must be filed by 1) An individual or entity that makes monetary or nonmonetary contributions (including loans) to state or local officeholders, candidates, and committees totaling \$10,000 or more in a calendar year; and/or 2) An individual or entity that makes independent expenditures totaling \$1,000 or more in a calendar year to support or oppose state or local candidates or ballot measures. Refer to the FPPC Campaign Disclosure Manuals 5 and 6 for important information about when and where to file Form 461. Those filing Form 461 for independent expenditures may also be required to file Form 462.

Form 470: Officeholder and Candidate Campaign Statement – Short Form

Under state law, the Form 470 is for use by candidates/officeholders who do not anticipate spending or receiving \$2,000 or more during a calendar year. However, in Berkeley, the Form 470 is for use by candidates/officeholders who do not anticipate **spending or receiving \$250 or more** in a calendar year. Candidates must file Form 470 no later than the due date for the first pre-election report. Officeholders that do not have an open campaign committee must also file the form annually, no later than July 31.

Form 496: Late Independent Expenditure Report

State law requires that candidates and committees making independent expenditures of \$1,000 or more aggregated from a single source during the last 90 days of the election file Form 496 within 24 hours. State law does not allow candidates to make independent expenditures for or against other candidates. Additionally, BERA requires that three copies of the communication funded by the independent expenditure must be filed with the City Clerk. (BMC 2.12.297)

Form 497: Late Contribution Report

State law requires that candidates and committees receiving or making a contribution of \$1,000 or more, aggregated from a single source, in the last 90 days of the election file Form 497 within 24 hours of receiving the contribution. BERA additionally requires a Form 497 to be filed within 48 hours for a contribution of \$100-\$999 received in the last 16 days of the election. For Berkeley candidates, remember to consult the rules on contribution limits, loans, and other regulations, including the public financing regulations.

Note that the candidate or committee is responsible for ensuring the filing is received by the City Clerk Department. Committees should check with City Clerk staff by telephone, email, or the City of Berkeley Electronic Filing System to confirm receipt of a late contribution report.

**OFFICE OF THE CITY CLERK
ADMINISTRATIVE POLICY**

**ASSESSING AND WAIVING FINES
FOR THE LATE FILING OF FPPC REGULATED DOCUMENTS**

PURPOSE

To establish a procedure for assessing and waiving fines for the late filing of statements of economic interests (Form 700) and campaign disclosure statements.

SCOPE

The Political Reform Act, contained in the California Government Code, mandates specific deadlines for the filing of statements of economic interests and campaign disclosure statements. Anyone filing a statement after a prescribed deadline may be fined. This procedure provides a guideline for the assessment and/or waiver of fines.

PROCEDURE

A. STATEMENTS OF ECONOMIC INTERESTS & CAMPAIGN STATEMENTS

1) General Provisions

Any person who does not file a statement of economic interests on time may incur a late penalty of \$10 for each day the statement is late, up to a maximum of \$100. (GC § 91013)

Any person who does not file a campaign statement on time may incur a late penalty of \$10 for each day the statement is late. (GC §91013) The liability for the penalty for late filing is limited to the cumulative amount of the contributions or expenditures for the period covered by the report or \$100, whichever is greater.

The City Clerk, as the filing officer, has the authority to waive or reduce fines for filers that submit a late report with a completed Request for Waiver of Liability. The waiver request must show good cause under the criteria listed below. The fine may be fully or partially waived if, on an impartial basis, it is determined that the late filing was not willful.

2) Notices – Statement of Economic Interests (Form 700)

The first Notice of Non-Filing will be sent within 5 calendar days from the filing deadline.

The second Notice of Non-Filing will be sent 30 calendar days after the first notice of Non-Filing. If a statement has not been filed by the deadline specified in the second Notice of Non-Filing, the non-filer will be referred to Fair Political Practices Commission (FPPC) for enforcement action, which may include additional fines and penalties beyond those imposed by the City Clerk Department.

3) Notices – Campaign Statements

The first Notice of Non-Filing, will be sent within 5 calendar days from the filing deadline.

The second Notice of Non-Filing will be sent 30 calendar days after the first Notice of Non-Filing. If a statement has not been filed by the deadline specified in the second Notice of Non-Filing, the non-filer will be referred to the Berkeley Fair Campaign Practices Commission (FCPC) for enforcement action, which may include additional fines and penalties beyond those imposed by the City Clerk Department.

For Campaign Reports, the late report must be filed within 10 days, or 5 days for a second pre-election statement, after the second Notice of Non-Filing is sent in order to qualify for a waiver. (GC § 91013)

B. ASSESSING AND WAIVING LATE FILING FINES

Full fines may be imposed upon persons who file a statement after the filing deadline and receive a Notice of Non-Filing from the City Clerk, unless they have qualified for a waiver.

Persons who file a completed Request for Waiver of Liability may have their fine waived or reduced if their reason for filing late falls within the “good cause” guidelines adopted by the Secretary of State.

When considering whether or not to waive or partially waive a fine, the filing officer will take into consideration any prior late filings. A filer who repeatedly files late greatly increases the chance of receiving a fine.

C. PAYMENT OF FINE AND COLLECTION OF UNPAID FINES

Upon the assessment of a fine by the City Clerk, a Notice of Penalty and Invoice will be sent to the filer or responsible party (Treasurer). A due date for payment will be included in the Notice of Penalty and the Invoice. Fines may be paid by cash, credit card or check at the City Clerk Department.

Failure to remit full payment by the deadline will result in the matter being referred to the City of Berkeley Finance Department for collection. Continued failure to pay may result in either a lien being placed on the filer’s property or a small claims action. A judgment in small claims court is public and will be reflected on the filer’s credit record.

The filing officer may enter into a payment plan with the filer or responsible party prior to the matter being referred to the Finance Department. This agreement must be initiated prior to the deadline stated in the Notice of Penalty.

SECRETARY OF STATE GOOD CAUSE GUIDELINES

WAIVER REQUEST

A request for waiver must be submitted on a Request for Waiver of Liability Form (Form PRD-1). The waiver request must be signed by the person(s) required to file the statement or report upon which the late filing fee was assessed.

There are two categories of "good cause" for waiving late filing fees. These causes must relate to the person required to file the report or statement.

1) FIRST CATEGORY OF GOOD CAUSE

Incapacitation for Medical Reasons

Adequate documentation consists of a doctor's, psychologist's, therapist's, chiropractor's, or other medical provider's statement giving the nature of the incapacitation, the date(s) thereof, and the individual's name.

Hospitalization

Adequate documentation consists of a copy of the hospital bill or doctor's statement showing the patient's name and the date(s) of the hospitalization.

Accident Involvement

If medical attention is provided and results in the late filing, a copy of the hospital bill, emergency room service, or doctor's statement, showing the patient's name and date(s) and time(s) of medical attention, is adequate documentation. If the accident involvement results in delay or vehicle disablement which causes the late filing, adequate documentation consists of a police report showing the individual's name, the date and time of the accident, and, if applicable, whether or not the vehicle was disabled.

Death

Adequate documentation consists of a copy of the death certificate or an obituary notice.

2) SECOND CATEGORY OF GOOD CAUSE

The second category is defined as other unique, unintentional factors beyond the filer's control not stemming from a negligent act or non-action. The factors are:

Loss or Unavailability of Records

The loss or unavailability of records due to a fire, flood, theft or similar reason. Adequate documentation shall consist of a police, fire or insurance report, containing the date of the occurrence and the extent of the loss or damage.

Unique Reasons

Other unique reasons. These include compelling reasons beyond the filer's control.

D. DEPOSIT OF LATE FINES

Late fines shall be deposited into the City of Berkeley Fair Elections Fund.

E. ADDITIONAL ENFORCEMENT

Assessment of penalties and fines by the City Clerk does not preclude the filer from further civil or criminal penalties from enforcement action taken by the Berkeley Fair Campaign Practices Commission (FCPC) or the State Fair Political Practices Commission (FPPC). The FCPC will be notified of all non-filing and penalty action taken by the City Clerk Department. Filers may also be referred for enforcement by the FPPC.

Under the Berkeley Election Reform Act, the FCPC may pursue action at law against the filer that may result in the forfeiture of office, termination of candidacy, and ineligibility to seek office at future elections.

ELECTION RESULTS

Semifinal Official Canvass (Election Night Results)

The semifinal official canvass will commence immediately upon the close of the polls at 8:00 p.m., November 8, 2022. The counting of ballots by the Registrar of Voters (ROV) will commence when all polls are closed.

You may inquire about Election Night Semifinal results in two ways:

- View results as they are posted on the ROV website <https://www.acvote.org/>
- Call ROV main phone number (510) 272-6933

The Election Night Semifinal results will NOT provide precinct-by-precinct results or votes cast for write-in candidates. Those totals are only available in the Statement of the Vote which is released when the election is certified up to 30 days after the election.

Ranked-Choice Voting

The Ranked-Choice Voting algorithm may be run periodically during the canvass. The results may change as more ballots are processed and tabulated.

Final Official Canvass

Election results are not final until the canvass is complete (refer to Division 15 of the Elections Code for procedural requirements and timeframes). It typically takes about 30 days to complete the Official Canvass and certify the official results of the election. The Official Statement of the Vote, showing the Official Final Results (totals, precinct by precinct results, and votes for qualified write-in candidates) is available from the ROV upon certification.

City Council to Receive Certification of Results

After the ROV certifies the results, the City Clerk will prepare the required resolution for the City Council to officially adopt the certified results. This will occur at the first available meeting in December where Open Government Ordinance deadlines permit placement on the agenda.

Elected Officers to be Seated

Certificates of election will be issued by the City Clerk.

The newly elected officers may be sworn in by the City Clerk at a time convenient to the official after the election has been certified by the Registrar of Voters and the City Clerk, but not before December 1, 2022. Generally, there will be an official swearing in ceremony at the first available December meeting following certification for the City Council, City Auditor, the Rent Board, and the School Board.

The position of Vice-Mayor is determined by Council resolution.

CAMPAIGN SIGNS

Signs on Private Property

Political signs may not be placed on any private property (residential, commercial, or industrial) without the permission of the owner. State Penal Code Sections 556.1 and 593 govern this activity.

Penal Code Section 556.1

“It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.”

Signs on Utility Poles

PG&E prohibits the attachment of campaign signs to PG&E utility poles or other facilities. The U.S. Supreme Court ruled that third parties have no right to use utility property to communicate messages to the public [Pacific Gas and Electric v. Public Utilities Commission, 475 U.E. 1 (1986)].

Signs on Light Poles

Placing signs on City-owned light poles is generally acceptable with certain restrictions. Signs may not create a traffic hazard by obstructing vision or interfere with any authorized sign.

Signs on State Right of Way

Caltrans has strict procedures for the allowance of temporary signs on the state right of way. On the following pages you will find an authorization form provided by Caltrans. Please use this form if you plan to place any signs in the state right-of-way. You may download a form from the Caltrans website by visiting the following page: <https://dot.ca.gov/programs/traffic-operations/oda/political-signs>

Signs on Medians

Political signs are prohibited in all street medians in Berkeley.

Signs on Parking Strips

Election signs are considered temporary signs, and currently they are allowed in the parking strip. The parking strip is the planted area between the curb and the sidewalk.

Other Sign Limitations in Berkeley

Berkeley Municipal Code Title 20, Sections 20.04 through 20.68, regulates the placement of temporary and permanent signs in the city. Please review these regulations carefully to avoid enforcement actions during your campaign. A copy of these regulations will be provided to you at the time of obtaining your Nomination Papers.
