Subject: Contract: Mar Con Builders, Inc. for Live Oak Community Center Seismic Upgrade Project

RECOMMENDATION

Adopt a Resolution:

1. Approving the plans and specifications for the Live Oak Community Center Seismic Upgrade project, Specification No. 19-11320-C; and
2. Accepting the bid of the lowest responsive and responsible bidder, Mar Con Builders, Inc.; and
3. Authorizing the City Manager to execute a contract and any amendments, extensions or other change orders until completion of the project in accordance with the approved plans and specifications, with Mar Con Builders, Inc., for the Live Oak Community Center Seismic Upgrade project at 1301 Shattuck Avenue, Berkeley, CA 94704, in an amount not to exceed \$5,415,927, which includes a contract amount of \$4,923,570 and a 10% contingency in the amount of \$492,357.

FISCAL IMPACTS OF RECOMMENDATION

Funding is available in the Measure T1 Fund and Parks Tax Fund, and will be included in the first annual appropriations ordinance of FY20. No other funding is required, and no other projects will be delayed due to this expenditure.

CURRENT SITUATION AND ITS EFFECTS

The existing community center at Live Oak Park, 1301 Shattuck Avenue, Berkeley, CA 94704 is in need of renovations. The center has been identified as a location to be used as a mass care site in the event of an earthquake per the City of Berkeley's Local

Hazard Mitigation Plan. This project will provide seismic upgrades to foundations, roofing, and wall systems to achieve an “Immediate Occupancy” rating to serve the community in the event of an earthquake or other disaster.

In addition, the previous ADA improvements to the building no longer meet current code. This projects includes updating the path of entry to the building, theater restroom and seating, and community center restrooms to current accessibility standards.

BACKGROUND

The project was advertised for bids on Monday, July 22, 2019, and bids were opened on August 29, 2019. The City received eight bids, from a low base bid of \$4,923,570 to a high base bid of \$6,218,000. Mar Con Builders, Inc. was the lowest responsive and responsible bidder. Staff conducted references checks and received satisfactory feedback. Staff recommends that a contract for this project be awarded to Mar Con Builders, Inc.

The Living Wage Ordinance does not apply to this project since construction contracts are, pursuant to City policy, subject to State prevailing wage laws. The contractor will need to submit a Certification of Compliance for the Equal Benefits Ordinance. The contract will be subject to the Community Workforce Agreement.

ENVIRONMENTAL SUSTAINABILITY

The construction contract includes requirements to comply with the City’s Environmentally Preferable Purchasing Policy. The project is a renovation of a developed urban site and therefore will not negatively affect natural habitat. The project includes a complete upgrade of the HVAC system to an all electrical option. This will increase the resiliency of the building as well as prepare the building for solar power.

RATIONALE FOR RECOMMENDATION

The Local Hazard Mitigation Plan identified the Live Oak Community Center as a Care and Shelter Facility for the community and a seismic upgrade to the “Immediate Occupancy” level will reduce the chance of building collapse in the event of a moderate or major earthquake. Various upgrades to the building are overdue including accessibility upgrades to adhere to current code.
