INSTRUCTIONS FOR FILING LANDLORD IRA PETITION FOR HISTORICALLY LOW RENT (HLR)
Regulation 1280

A landlord is entitled to increase rent ceilings for units with rents that were significantly below market at the inception of rent control. Units that qualify for such an increase must have lawful 1980 rent ceilings below certain minimums, and adjusted current rent ceilings below certain minimums. These minimum amounts are established according to number of bedrooms in the unit, and are found in Appendix A to Regulation 1280 and Table 2 of the petition form. Units for which an initial rent was established on or after January 1, 1999, are not eligible for the HLR increase. Regulation 1280 does not apply to single-family residences or rooms in boarding houses and residential hotels.

You should obtain a rent ceiling history (“RTS print-out”) from the Rent Board before filing this petition. You may also find it helpful to review Section 12 of the Rent Stabilization Ordinance and Chapter 12 of the Rent Board Regulations. Copies of the Ordinance and Regulations are available at the Rent Board’s office, the Berkeley Public Libraries and on the Internet (<https://rentboard.berkeleyca.gov/>). Rent Board counselors are available to answer questions about the petition process, in person or by telephone at the number listed above; counselors can also supply an RTS print-out for affected units. Office hours are Mondays, Tuesdays, Thursdays and Fridays, 9:00 a.m. to 4:45 p.m. (closed Wednesdays).

To obtain a rent increase for historically low rent, you must mail or bring the following items to the above address:

1. A completed petition signed by the owner;
2. A proof of service stating that each affected tenant was served a copy of the petition and documentation either by first-class mail or in person.

A completed proof of service is required each time documents related to the petition are filed.

AFTER A PETITION IS FILED

Unless a signed Agreement of Parties or Waiver of Right to Hearing (copy attached) is submitted, the Board will mail a Notice of Right to Object to each affected tenant, who has 20 days from the date the notice is mailed to file an objection to the petition. **(Petitions submitted with an Agreement of Parties must still include a proof of service indicating that all affected tenants were served with a copy of the petition.)** If a timely objection is filed, the petition will be scheduled for a settlement conference and hearing. Notice of the time and place of hearing will be mailed to all parties no later than ten days before the scheduled hearing date. If no objection is filed or if each affected tenant signs a waiver of the right to a hearing, an administrative decision will be issued based on the petition, supporting documentation and the Board’s records.

Filing an incomplete petition will delay processing.
